Dear Supporters,

The Women of Distinction Incorporated (“WOD”) is a 501(c)(3) nonprofit organization that touches the lives of thousands of individuals annually in the State of Georgia and beyond. We are preparing for our 12th Empowerment Luncheon. The highlight of this event is to announce WOD Scholarship Recipients who are young ladies in pursuit of higher educational excellence. ***Our 2023 theme, “We Rise To Serve!”***

Additionally, we honor female leaders, nationally and locally, for their achievements without regard to division, ethnicity, culture, economics or politics. It is an occasion for looking back on past accomplishments and, more importantly, looking ahead to the untapped potential and opportunities that await future generations of women.

In early 2020, our way of life was transformed across the globe due to COVID-19. We continued our mission in the community while focusing on health and safety first. We did not come to a complete stop, and helped educate thousands virtually. We only paused by not hosting our signature event which allows us to provide educational scholarships to young ladies. WOD is excited to share that we are moving forward in 2023 by continuing our tradition of hosting the empowerment luncheon!

**We need your support!** Attached is our sponsorship packet. We are hopeful you will support our cause by donating financially to provide educational scholarships to many young people. The 12th Annual Empowerment Luncheon will be held Sunday, June 25th at 3:00pm EST at 191 The Commerce Club, 49th Floor, Atlanta, GA 30303.

We are looking forward to receiving your response.

Sisterly,
